CHECK WITH HYDE FUEL FIRST

UNDERSTANDING PROPANE

We Can Help You Check The Safety Boxes

- ✓ Before you dig. Check for underground propane lines.
- ✓ Are you planning to install a generator?
- ✓ Are you planning to install air conditioning or heat pumps?
- ✓ Adding, moving, or replacing any propane equipment/appliances?
- ✓ Do you need a propane tank moved?

Please call us 518-891-3151 we will help you with propane safety codes to avoid surprises or unexpected expenses
